

Fire Engine for Sale - \$10,000 CAD Reserve Bid

2000 Spartan Metro Star– ERS Emergency Systems

This Fire truck has served the City of Langley since 2001. Service records can be provided; it has a Cummins engine with Allison transmission with just shy of 39,000 km driven and 12000 hours. It is equipped with a 1750 Hale Pump with a 500-gallon water tank.

Truck is equipped with plumbing for a front trash line, four 1.5” cross lays, one 2.5” cross lay. Included with purchase: monitor, Honda EV6010 generator, two plumbed Homatro hose reels, three ladders (14’, 24’ 35’) and Sigtronic headsets.

For inquiries, please contact the Langley City Fire Rescue’s Assistant Chief Graham Wing.
